

# QDL-3000 CD/DVD

## QUIC DISC 3000 AUTOLOADER (QDL-3000) CD/DVD

Do you have occasions where you need to make a few quick copies of a project but didn't have the time to run them through your computer or on a manual tower and didn't have the budget for the larger robotic duplicators? Of course you do! The QDL-3000 from Microboards Technology is the perfect solution for CD and DVD jobs. With a small manageable footprint not much larger than a shoe box, the QDL-3000 fits in any office or cubicle and works unattended to make up to 60 copies per run. Plus at an incredibly low price point, the QDL-3000 fits nearly any budget. With a 60-disc capacity and three recording drives, the QDL-3000 gives you the ability to work on more important matters with the confidence that your project will be duplicated quickly and reliably without breaking the bank. The QDL-3000 CD/DVD recorder from Microboards—small, but mighty.
